Lumber Jacks and Ducks

Wednesday August 8, 2018

In 1946, the world's first Duck tour was launched. While other Duck rides have come and gone, only **"ORIGINAL WISCONSIN DUCKS"** has been delivering fun and adventure on land and water, non-stop, ever since! The Classic Duck Tour splashes into the Wisconsin River and Lake Delton, climbs over sand bars, traverses over four miles of exclusive scenic wilderness trails, and has been thrilling passengers for 70 years and counting. "Don't fall for decoys, ride the original!"

Enjoy a delicious lunch of **BBQ Ribs, Fried Chicken Mashed Potatoes & Gravy, Mixed Vegetables, a special Torte for Dessert, and coffee, milk or soda.** All this will be served at Paul Bunyan's Cook's Shanty.
